# INDEPENDENT AUDITORS' REPORT

# To the Governing Board of Robert W. Woodruff Arts Center, Inc. and Subsidiaries

# **Report on the Audit of the Consolidated Financial Statements**

# Opinion

We have audited the accompanying consolidated financial statements of Robert W. Woodruff Arts Center, Inc. and Subsidiaries (a nonprofit organization) ("Arts Center"), which comprise the consolidated statements of financial position as of May 31, 2023 and 2022, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Arts Center as of May 31, 2023 and 2022, and the changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

# **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Arts Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arts Center's ability to continue as a going concern for one year after the date of this report.

# Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

# Auditors' Responsibilities for the Audit of the Consolidated Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Arts Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arts Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

# **Report on Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures, in accordance with GAAS. In our opinion, the information is fairly stated in all material respects, in relation to the consolidated financial statements as a whole.

# Notes to consolidated financial statements

### **1** Significant Accounting Policies

The consolidated financial statements of the Robert W. Woodruff Arts Center, Inc. and Subsidiaries (collectively the Arts Center) have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) and include the accounts of each of its divisions: the Alliance Theatre, the Atlanta Symphony Orchestra, the High Museum of Art and the Woodruff Arts Center Services. The consolidated financial statements for the years ending May 31, 2023 and 2022, include the wholly owned subsidiary Encore Park for the Arts, Inc. There are no assets or liabilities or any activity within Encore Park for the Arts, Inc. through May 31, 2023. During the year ended May 31, 2021, the Arts Center formed two additional subsidiaries, ASO Productions, LLC and Alliance Theatre Productions, LLC. ASO Productions, LLC and Alliance Theatre Productions, Ellis as a deferred income tax asset relating to Georgia Film Production Tax Credits as further explained in the Income Tax Status section of this footnote. The significant accounting policies of the Arts Center are described below.

The Arts Center classifies resources into two net asset categories depending on the existence of or absence of donor-imposed restrictions. A description of the two net asset categories is as follows:

- Net Assets Without Donor Restrictions Net assets available for use in the general operations and not subject to donor (or certain grantor) restrictions. Net assets without donor restrictions may be designated for specific purposes by the Governing Board.
- 2. Net Assets With Donor Restrictions Net assets subject to donor imposed or legal restrictions. Some donor imposed restrictions are temporary in nature, such as those that will be met with the passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Donors at times change the intent of their gifts and when this occurs, the Arts Center transfers funds to agree to the donor's request. During the years ended May 31, 2023 and 2022, there were no significant donor redirected contributions.

Revenue is reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions. Contributions with donor-imposed restrictions are reported as restricted support; however, donor restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions under the principle of simultaneous release.

#### **Cash and Cash Equivalents**

The Arts Center considers investments with maturities of three months or less to be cash equivalents except for highly liquid investments that are held for reinvestment. A significant portion of cash and cash equivalents are on deposit with two single financial institutions. These accounts at times may exceed federally insured limits. The Arts Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents. If liquidity issues arise in global credit and capital markets it is at least reasonably possible that these changes in risks could materially affect the amounts reported in the accompanying consolidated financial statements.

#### **Revenue Recognition**

The Arts Center recognizes revenue for ticket sales and admissions, memberships, auxiliary services, event rentals, fee-based programming, and other programming on the satisfaction of performance obligations. Performance obligations are determined based on the service provided by the Arts Center. The following explains the performance obligations and satisfaction of performance obligations related to each revenue stream.

Ticket Sales and Admissions - Ticket sales and admissions revenues are associated with tickets to entry into the museum and shows such as symphony and theatre productions produced by the Arts Center. Ticket sales and admissions are recognized at point of sale or when the show occurs for which the ticket relates. Advanced ticket sales outstanding at May 31, 2022 of \$3,533,578 were recognized in revenue in 2023. The balance of advanced ticket sales at May 31, 2023 of \$4,057,052 will be recognized in fiscal year 2024 as performance obligations are satisfied.

Memberships - The Arts Center offers memberships to the High Museum of Art at various levels for single year periods. Each membership has both a gift and exchange transaction component, the levels of which are determined by the level and nature of membership based on established rates. The exchange component for memberships is immaterial and as such, the Arts Center recognizes memberships as gift revenue when received.

Auxiliary Services - Auxiliary activities consist primarily of revenue from retail, food and beverage operations and the parking garage. Revenue related to auxiliary activities is primarily recognized at point of sale as the service has been provided in full by the Arts Center.

Event Rentals - The Arts Center receives revenues from visitors and other third parties for use of space for events and filming. The Arts Center recognizes revenue or these activities when the event or filming occurs.

Fee-Based Programming - Fee-based programming includes educational programs at the Arts Center or at offsite locations as well as performances contracted by third parties. The Arts Center recognizes revenue related to fee based programming when the programming is completed or the performance occurs. \$1,159,292 of revenue was recognized from amounts that were included in deferred revenues at the beginning of the year. \$1,254,554, in deferred revenue outstanding at May 31, 2023 is expected to be recognized during fiscal year 2024 as performance obligations are satisfied.

Other Programming - Other programming revenues include enhancement and co-production income, traveling exhibitions, royalties and other revenues that are recognized as the shows and exhibitions for which the revenues relate occur. \$2,601,084 of revenue was recognized from amounts that were included in deferred revenues at the beginning of the year. \$3,344,918, in deferred revenue outstanding at May 31, 2023 is expected to be recognized during fiscal year 2024 as performance obligations are satisfied.

#### Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give—that is, those with a measurable performance or other barrier and a right of return—are not recognized until the conditions on which they depend have been met. Pledges related to future exhibitions or events, are treated as conditional promises to give until the obligations and conditions upon the pledge are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted using a risk-adjusted rate appropriate for the expected term of the promise to give. Amortization of the discount is recorded as contributions revenue in accordance with donor-imposed restrictions, if any. An allowance for uncollectible contributions receivable is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of fund-raising activity.

#### Inventories

Inventories are stated at the lower of cost or market. The first-in, first-out method is used to determine the cost of inventories. Inventories consist primarily of items held for resale at the High Museum of Art and the Atlanta Symphony Orchestra gift shops. Inventory items include books, jewelry, clothing and other exhibit-related materials.

#### Investments

The Arts Center records its investments at fair value. Fair value for investments is based on quoted market prices or dealer quotes, where available. As explained in Notes 3 and 4, the consolidated financial statements include alternative investments, whose fair values have been estimated by management in the absence of readily observable fair values. Management's estimates are based on information provided by the investment fund managers or the general partners. Accordingly, the estimated fair value of such investments is subject to uncertainty and, therefore, may differ from the value that would have been used had an active market existed. The values assigned to these holdings do not necessarily represent amounts which might ultimately be realized upon sale or other disposition.

Net appreciation (depreciation) in the fair value of investments, which consists of the net realized gains and losses and the net unrealized appreciation (depreciation) on those investments, is presented in the accompanying consolidated statements of activities. Investment income, which represents interest and dividends, is presented net of investment expenses.

The Arts Center holds a variety of investments, the underlying securities of which are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of the investment securities could occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

#### Land, Buildings and Equipment

Major property additions are recorded at cost. Property received as a donation is recorded at fair value at the time of donation. Buildings and equipment are stated at cost less accumulated depreciation. Depreciation of buildings and equipment is recorded using the straight-line method with a half-year convention over the estimated useful lives of the related assets.

Contributions of cash or other assets that must be used to acquire long-lived assets are reported as with donor restricted contributions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the restrictions are considered to be met when the long-lived asset is placed into service.

### Works of Art

The High Museum of Art's collections comprise more than 19,100 objects and works of art. The collections are maintained for public exhibition, education and research in furtherance of public service rather than for financial gain and are considered to have cultural, aesthetic or historical value worth preserving perpetually. In conformity with accounting practices generally followed by art museums, the value of the Museum's collections has been excluded from the consolidated statements of financial position. Contributions for purchases of art objects are recorded as increases in net assets and purchases of art objects are recorded as decreases in net assets in the consolidated statements of activities.

Proceeds received from the deaccession of works of art are used to purchase other works of art or for direct care of the Museum's collections. Direct care is defined as costs associated with conservation, preservation, registration, maintenance, storage and safeguarding of collections. There were no proceeds from deaccessions of art for the years ended May 31, 2023 and May 31, 2022.

#### Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, pledges and other receivables, and accounts payable and accrued expenses approximate fair value because of the relative terms and short maturity of these financial instruments.

The carrying values, which approximate fair value of investments, beneficial interests in perpetual trusts, contributions receivable from remainder trusts and the interest rate swap are based upon quoted market values when available or management's estimate in the absence of readily determinable fair values.

Accounting Standard Codification (ASC) 820, Fair Value Measurements and Disclosures defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the inputs used to measure fair value and enhances disclosure requirements for fair value measurements. ASC 820 maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from independent sources. Unobservable inputs reflect assumptions that market participants would use in pricing the asset or liability based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the transparency of inputs as follows:

- Level 1: Quoted prices are available in active markets for identical assets or liabilities as of the report date. A quoted price for an identical asset or liability in an active market provides the most reliable fair value measurement because it is directly observable to the market.
- Level 2: Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the report date. The nature of these securities include investments for which quoted prices are available but traded less frequently and investments that are fair valued using other securities, the parameters of which can be directly observed.
- Level 3: Securities that have little to no pricing observability as of the report date. These securities are measured using management's best estimate of fair value, where the inputs into the determination of fair value are not observable and require significant management judgment or estimation.

Inputs are used in applying the various valuation techniques and broadly refer to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Inputs may include price information, volatility statistics, specific and broad credit data, liquidity statistics, and other factors. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. However, the determination of what constitutes "observable" requires significant judgment by the Arts Center. The Arts Center considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market. The categorization of a financial instrument within the hierarchy is based upon the pricing transparency or liquidity of the instrument and does not necessarily correspond to the Arts Center's perceived risk of that instrument.

Certain investments that are measured using the net asset value (NAV) per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

#### Functional Allocation of Expenses

The costs of providing Arts Center programs and administration have been summarized by functional and natural classification in Note 12. The Arts Center classifies expenses directly to the categories the expense is supporting. In some instances, expenses may be attributable to more than one function. These expenses include depreciation and amortization, interest and information technology services, which are allocated among program and support services based on square footage and the use of debt.

## **Contributed Services and Materials**

The Arts Center records contributed services as contribution revenue and as an expense if the services create or enhance a nonfinancial asset, or the services would (1) need to be purchased by the Arts Center if not provided by contribution, (2) require specialized skills and (3) be provided by individuals with those skills. Contributed services and materials received during the years ended May 31, 2023 and 2022 were not significant.

#### Advertising Costs

Advertising costs are expensed as incurred. Advertising expenses for the year ended May 31, 2023 and 2022 were \$2,695,438 and \$2,385,520, respectively.

#### **Use of Estimates**

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates and any such difference could be significant.

#### **Income Tax Status**

The Arts Center is recognized as an organization exempt from Federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3) whereby only unrelated business income, is subject to Federal income tax.

The Arts Center accounts for income taxes in accordance with GAAP. This prescribes the use of the liability method whereby deferred tax asset and liability account balances are determined based on differences between the financial reporting and tax bases of assets and liabilities and are measured using the enacted rates and laws that will be in effect when the differences are expected to reverse. The Arts Center provides a valuation allowance, if necessary, to reduce deferred tax assets to their estimated realizable value.

The Arts Center accounts for uncertainty in income taxes by prescribing the minimum recognition threshold a tax position is required to meet before being recognized in the financial statements. The Arts Center utilizes a twostep approach for evaluating tax positions. Recognition occurs when the Arts Center concludes that a tax position, based solely on its technical merits, is more likely than not to be sustained upon examination. Measurement is only addressed if recognition has been satisfied. Under measurement, the tax benefit is measured at the largest amount of benefit, determined on a cumulative probability basis that is more likely than not to be realized upon final settlement. The term "more likely than not" is interpreted to mean that the likelihood of occurrence is greater than 50%.

ASC 740, *Accounting for Uncertainty in Income Taxes*, establishes the criterion that an individual tax position has to meet for some or all of the benefits of that position to be recognized in the Arts Center's consolidated financial statements. Under ASC 740, the Arts Center is required to determine that the relevant tax authority would more likely than not sustain its tax position following an IRS audit. Tax years open to examination by tax authorities under the statute of limitations include fiscal 2020 through 2023. The Arts Center has determined that its material tax positions satisfy the more likely than not criterion and that no provision for income taxes was required at May 31, 2023 and 2022, for uncertain tax positions.

Deferred income taxes are provided for differences in timing of income and expenses for financial reporting and income tax reporting purposes. During the years ended May 31, 2023 and 2022, the Arts Center recorded a deferred income tax asset relating to transferable Georgia Film Production Tax Credits in the amount of \$3,198,128 and \$1,656,268, respectively, of which \$1,541,860 and \$1,656,268 was also recorded as a credit for deferred income taxes during the years ended May 31, 2023 and 2022, respectively.

Under the Georgia's Entertainment Industry Investment Act, companies that produce film, television series, music videos and commercials can be provided a 20 percent tax credit on production and post-production costs in Georgia. The act also provides an additional 10 percent tax credit if the finished project includes a promotional logo provided by the state. The Arts Center is eligible for 30% tax credit on production and post-production costs related to virtual performances conducted at Atlanta Symphony Orchestra and Alliance Theatre that occurred during fiscal years 2023 and 2022. The Arts Center calculated Georgia tax credits in the amount of \$1,713,178 and \$1,840,298 respectively for fiscal years 2023 and 2022. As the Arts Center is not able to utilize the credits against its own taxable revenue, it intends to sell the credits once formal approval is provided by the Georgia Department of Revenue. The Arts Center estimates they can sell the credits for approximately 90% of credit amount, thus has recorded a valuation allowance on the deferred tax credits in the amount of \$171,318 as of May 31, 2023, and \$184,030 as of May 31, 2022.

#### Subsequent Events

The Arts Center has considered subsequent events through the date of this report, which is the date the consolidated financial statements were issued.

## Reclassifications

Certain reclassifications have been made to the prior year consolidated financial statement presentation to correspond to the current year's format. Consolidated net assets and changes in consolidated net assets are unchanged due to these reclassifications.

### 2 Pledges and Other Receivables

The present value of unconditional promises to give is included in the consolidated financial statements, net of an allowance for doubtful accounts and present value discount. The Arts Center wrote off net uncollectible receivables of approximately \$118,000 and \$735,000 during the years ended May 31, 2023 and 2022, respectively.

| May 31                                   | 2023             | 2022             |

| Total pledges and other receivables, net | \$<br>48,387,083 | \$<br>39,184,948 |

Unconditional promises to give are expected to be collected in the following periods:

Contributions to be received after one year are discounted using a risk-adjusted rate appropriate for the expected term of the promise to give. Amortization of discounts is recorded as contribution revenue in accordance with donor imposed restrictions on the respective contributions. Estimated future cash flows to be received after one year are discounted at rates ranging from 1.16% to 3.93% plus an allowance for credit risk as needed.

(A) Investment in sales type lease and deferred rental income as a result of certain leases are further described in Note 16.

During the year ended May 31, 2022, the Arts Center received a conditional contribution from a donor for \$5,000,000, payable over 5 years based on the Arts Center raising qualifying matching contributions each year. \$1,000,000 was recognized as a contribution without donor restrictions in the Consolidated Statement of Activities during each of the years ended May 31, 2023 and 2022, with the remaining \$3,000,000 at May 31, 2023, to be recognized over the next three years as the conditions are met.

# 3 Investments

The Arts Center maintains the majority of its investment portfolios in a master custody arrangement at a bank where the investments are pooled based upon investment objectives. Each investment fund subscribes to or disposes of units on the basis of the fair value at the end of the calendar month within which a transaction takes place.

Investments at carrying value were comprised of the following:

| May 31                             | 2023              | 2022              |

The Arts Center's investment strategy is to preserve the real purchasing power of the assets by earning a total rate of return equaling or exceeding its spending rate plus inflation over full market cycles of three to five years (net of fees). Commingled funds are included in classifications below depicting how funds are principally invested. The asset allocation parameters are as follows:

| As of May 31, 2023    | Target Allocation | Actual Allocation |
|-----------------------|-------------------|-------------------|
| Global Equity         | 50%               | 61%               |
| Hedge Funds           | 10%               | 10%               |
| Private Credit        | 15%               | 5%                |
| Private Investments   | 15%               | 13%               |
| Fixed income and cash | 10%               | 11%               |

Investments are expected to exceed the benchmarks listed below over a full market cycle (three to five years). Investment managers are expected to achieve the following objectives while consistently adhering to their investment style.

(a) In accordance with ASC Topic 820-10, as amended by ASU 2015-07, certain investments that are measured using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the carrying values disclosed in Note 3. Cash and cash equivalents are not included in the above table.

#### Investments Measured at NAV per Share or Equivalent

The Arts Center's investment advisor performs on-going due diligence of the funds which includes benchmarking and comparing the results of the fund to certain applicable indexes. The Arts Center's investment advisor also has regular calls with management of the funds and meets periodically with the Arts Center's investment committee and reports the performance of the funds. There were no changes in valuation techniques noted for these funds for 2023 and 2022.

#### Sensitivity of Fair Value Measurements and Changes in Significant Observable Inputs

The significant unobservable inputs used in the fair value measurement of the Arts Center's alternative investments are subject to market risks resulting from changes in the market value of its investments. Investments measured at NAV per share or equivalent may be sold at amounts different than the NAV per share due to various restriction and redemptive requirements as described below.

- \* These investments have no ability to redeem with the fund.
- (a) This class includes several private equity funds that invest primarily in foreign and U.S. start-up companies and buyouts. These investments are in the form of limited partnership agreements and therefore cannot be redeemed with the funds. Rather, liquidation of the investments results in distributions from the funds to the limited partners. The fair values of the investments in this class have been estimated using the NAV of the Arts Center's ownership interest in partners' capital.
- (b) This class consists on one fund which invests in privately placed senior first lien loans to both public and private companies in the U.S. This investment is in the form of a limited partnership agreement and therefore can never be redeemed with the funds. Distributions are received both in the form of current interest income and also from the liquidation of the underlying loans in the fund. Most loans have short maturities of 5 year or less. The fair values of the investments in this class have been estimated using the NAV of the Arts Center's ownership interest in partners' capital.
- (c) This class consists of one fund which invests commodities, specifically oil and gas, metals and mining and power and renewables. This investment is in the form of a limited partnership agreement. The fair values of the investments in this class have been estimated using the NAV of the Arts Center's ownership interest in partners' capital.
- (d) This class includes four private equity fund of funds that invest primarily in real estate and distressed real estate. These investments are in the form of limited partnership agreements and therefore cannot be redeemed with the funds. Rather, liquidation of the investments results in distributions from the funds to the limited partners. The fair values of the investments in this class have been estimated using the NAV of the Arts Center's ownership interest in partners' capital.
- (e) This class consists of an investment in a fund of funds which invests in a series of investment strategies the objective of which is to provide an absolute return over long periods of time regardless of market conditions. These investment strategies include, but are not limited to, long/short equity, debt and equity arbitrage, capital structure arbitrage and equity market neutral strategies. The fair values of the investments in this class have been determined using the NAV per share of the funds.

Redemption

- (f) This class of investments consists of two funds which invest primarily in long/short equity investments. One fund is a fund of funds while the other is a direct investment in a single manager. The investment strategy involved in this class is long/short foreign and U.S. equity securities. The fair values for the investments in this class have been determined using the NAV per share of the funds.
- (g) This class of investments consists of a number of commingled funds investing in U.S. equities, foreign sovereign debt, fixed income vehicles, derivatives, and bank loans. The fair values for the investments in this class have been determined using the NAV per share of the funds

#### Beneficial Interests in Perpetual Trusts and Contributions Receivable from Remainder Trusts

Beneficial interests in perpetual trusts and contributions receivable from remainder trusts classified within level 3 have significant unobservable inputs. Beneficial interests in perpetual trusts and contributions receivable from remainder trusts are irrevocable trusts held primarily at certain financial institutions. When observable prices are not available for the assets of these trusts, the Arts Center uses one or more valuation techniques (e.g., the market approach, the income approach or the cost approach) for which sufficient and reliable data is available. Within level 3, the use of the market approach generally consists of using comparable market transactions, while the use of the income approach generally consists of the net present value of estimated future interest in the trusts.

## 5 Split Interest Agreements

The Arts Center's split-interest agreements with donors consist of charitable gift annuities, charitable remainder trusts, and beneficial interests in perpetual trusts.

The Arts Center is the beneficiary of several perpetual trusts held by third parties. Under these trusts, donors have established and funded perpetual trusts whereby the Arts Center has the irrevocable right to receive its interest in the income earned on perpetual trust assets. The corpus of the trusts will be maintained by a trustee in perpetuity. The Arts Center recorded its initial beneficial interest in these trusts at the fair value of trust assets. Fair value of the trust assets totaled \$20,526,021 and \$22,165,411 as of May 31, 2023 and 2022, respectively. Changes in fair value are presented as with donor restrictions in changes in value of split interest agreements and totaled (\$1,639,390) and (\$2,468,586) for the years ended May 31, 2023 and 2022, respectively.

The Arts Center is also the beneficiary under several irrevocable charitable remainder trusts. These agreements have been established by donors whereby the Arts Center will receive the fair value of trust assets upon the termination of the trusts. Trust assets are maintained by third-party trustees. The Arts Center recorded these trusts at the present value of the estimated future benefit to be received, which totaled \$909,324 as of May 31, 2022. During May 31, 2023, the Arts Center received distributions of \$861,680 upon termination of its remainder trusts. The change in value of the estimated future benefit to be received is the net of distributions received and the change in the trusts' fair values. These trusts are reported in with donor restricted net assets. Annual adjustments in the trusts' fair values are recorded in the consolidated statements of activities as changes in value of split interest agreements which totaled (\$47,644) and (\$8,873) for the years ended May 31, 2023 and 2022, respectively. Significant assumptions used in valuing these trusts are the discount rate under IRC Section 7520(a), ranging from 1.80% to 11.88%, and life expectancy of donors under IRS Publications 1457 Table R(2) and Table K, current ages ranging from 79 to 100 years.

Assets related to charitable gift annuities are recorded at their fair values when received and an annuity payment liability is recognized at the present value of future cash flows expected to be paid to the donor or other designee. At the time of the gift, the Arts Center recognizes contribution revenue in an amount equal to the difference between these two amounts. The gross fair value of the related assets is included in investments in the consolidated statements of financial position. A liability for annuity obligations is included in accounts payable and accrued expenses equal to the present value of benefits which are due to the donor. Discount rates and actuarial assumptions used to determine the liability are those contained in mortality tables published by the Internal Revenue Service and are typically based on factors such as applicable federal interest rates and donor life expectancies. The liabilities are adjusted annually for changes in the estimates of future benefits, and the changes in the value of these agreements are included in the consolidated statements of activities. The liability balance totaled \$256,708 and \$274,533 and the change in value was \$26,863 and \$27,772 as of and for the years ended May 31, 2023 and 2022, respectively.

# Bond Maturities are as follows for the years ending May 31:

The Fulton County Series 2015A and 2015B and 2019A and 2019B bonds each contain covenants that require the Arts Center to meet certain financial ratios and restrict the Arts Center's ability to issue new debt. The Arts Center is in compliance with all debt covenants as of May 31, 2023.

Amortization of bond premiums, discounts and issuance costs is reported in the Consolidated Statements of Activities within interest expense.

## 9 Commitments and Contingencies

The Arts Center is subject to legal claims and other contingencies arising in the ordinary conduct of its affairs. The Arts Center accrues a liability for such claims or contingencies when a loss is probable and the amount of the liability can be estimated. Management of the Arts Center believes that the outcome of any such liabilities will not have a material adverse effect on the Arts Center's financial position.

The Arts Center and Encore Park for the Arts, Inc. ("EPA") are parties to an Agreement which provides that funds, subject to certain defined offsets, be set aside each calendar year by the Arts Center for the purpose of raising funds for a Performing Arts Center ("PAC"). If EPA desired to raise funds to construct a PAC, the Arts Center has the ability to satisfy the obligation through May 31, 2023. The obligation will cease upon completion of fund raising efforts for the PAC sufficient to cover its design and development costs. The Agreement provides that if construction of the PAC is not commenced by 2023 and EPA is not prioritizing the development of the PAC, the Arts Center will transfer certain real property necessary for the location of the PAC, as reasonably determined by the Arts Center, which real property currently is owned by the Arts Center has retained the right of first opportunity to operate the PAC. As May 31, 2023, there has been no determination by EPA to raise funds or build a PAC on the real property referenced in the Agreement. The Agreement may be terminated, and the transactions contemplated may be abandoned by EPA and WAC, before 2023 by mutual written consent of both parties.

## 10 Net Assets Without Donor Restrictions

Net assets without donor restrictions consist of the following:

| May 31          | 2023             | 2022             |
|-----------------|------------------|------------------|

#### **Program Services**

The Atlanta Symphony Orchestra serves audiences across the nation by providing both musical performances and education. The Alliance Theatre serves both adults and children, producing theatre and education programming. The High Museum of Art serves audiences from across the Southeast region and around the world with its distinguished collections, dynamic schedule of special exhibitions, and engaging community-focused programming. The Woodruff Arts Center division's program services include the costs of maintaining operating facilities for divisions, and its management and general expenses include supporting services such as information services, accounting and personnel.

# 13 Spending Rate Policy

The Arts Center has a spending rate policy whereby a predetermined amount of investment income without donor restrictions from certain investments is established to fund current operations. The spending rate is meant to represent a reasonable return (dividends, interest and realized gains) on the fair value of the investments.

The Governing Board has authorized a spending rate of up to 4.75% of a 20-quarter rolling average of the fair value of the Arts Center's endowment investments. Notwithstanding the foregoing, during the years ending May 31, 2023 and May 31, 2022, the Governing Board approved a spending rate not to exceed 4.75%.

The Arts Center has interpreted the Georgia Uniform Prudent Management of Institutional Funds Act (the Act) as requiring the preservation of the purchasing power of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. However, under the provisions of the Act, the Governing Board may appropriate expenditures of an underwater endowment fund as is deemed prudent for the use and purposes for which an endowment fund is established. As a result of this interpretation, the Arts Center classifies as net assets with donor restrictions in perpetuity (1) the original value of gifts donated to the endowment, (2) the original value of subsequent gifts to the endowment, and (3) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. If the endowment assets earn investment returns beyond the amount necessary to maintain the endowment assets' original gift value, that excess is available for appropriation remaining classified as net assets with donor restrictions. In accordance with the Act, the Arts Center considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Arts Center and the donor-restricted endowment fund
- (3) The expected total return from income and the appreciation of investments
- (4) Other resources of the Arts Center
- (5) The investment policies of the Arts Center
- (6) Possible effect of inflation or deflation
- (7) General economic conditions

Net assets with perpetual restrictions disclosed above are only those from which endowment distributions are made and do not include net assets from the trusts.

From time to time, certain donor restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Arts Center has interpreted UPMIFA to permit spending from underwater endowments accordance with prudent measures required under law. At May 31, 2023 and 2022, funds with original gift values of \$120,081,104 and \$85,339,749, and fair values of \$105,447,025 and \$74,778,348, with deficiencies of \$14,634,079 and \$10,561,401 were reported in net assets with donor restrictions, respectively.

#### 14 Pension Plans

#### **Defined Benefit Plans**

The Arts Center sponsors two defined benefit pension plans. The Pension Retirement Plan for the Contract Musicians of the Atlanta Symphony Orchestra (the ASO Musicians' Plan), initially established through negotiations with the Musicians Union in 1976, covers all musicians and provides benefits defined by the terms of the union contract.

In 1997, in accordance with a new musicians' union agreement, the ASO and members of the ASO Musicians' Plan agreed to freeze the normal retirement benefit to \$25,000 per participant annually. The ASO will continue to fund the Plan as necessary until all benefits accrued by participants are paid. The musicians became members of the American Federation of Musicians and Employers' Pension Plan (the AFofM Plan) as a result of this agreement. The ASO will make contributions to the AFofM Plan pursuant to the agreement reached with the musicians.

A second defined benefit plan, The Pension Retirement Plan for the Employees of the Robert W. Woodruff Arts Center, Inc. and Subsidiaries (the Arts Center Plan), covers substantially all other employees who were employed prior to January 1, 2007, and not covered by the ASO Musicians Plan. The Arts Center Plan provides pension benefits that are based on the employees' compensation and service.

In 2007, The Board of Trustees of the Arts Center approved a plan to make changes to the Pension Retirement Plan for the Employees of the Robert W. Woodruff Arts Center, Inc. The Arts Center Plan was amended to stop participation in the defined benefit pension plan as of December 31, 2006. Any employee hired after December 31, 2006, is, upon achieving appropriate service time and age requirements, a participant in a defined contribution plan.

Prior service costs are amortized over the estimated average remaining service periods for the Arts Center plan. The Arts Center's policy is to fund the cost of benefits currently accruing and past service cost over periods not exceeding 30 years for the Arts Center Plan and 20 years for the ASO Musicians' Plan to the extent necessary to meet regulatory funding requirements.

The Board of Trustees of the Arts Center approved a plan to freeze the Arts Center Plan effective December 31, 2011 and, as a result, cease any future accrual of benefits for this plan. Existing, active participants of the Arts Center Plan participate in the defined contribution plan beginning January 1, 2012. The Board of Trustees has approved providing additional contributions to certain individuals who will be negatively impacted by the transition.

\* These amounts have been determined assuming there are no special events, plan amendments, changes, or actuarial losses/(gains) during the upcoming fiscal year.

#### Assumptions

In determining the projected benefit obligation and the net pension cost (benefit), the following significant weighted-average assumptions were used:

| May 31, 2023  | ASO<br>Musicians'<br>Plan | Arts Center |
|---|---------------------------|-------------|
| Discount rate used for determining projected benefit obligation as of May 31, 2023                          | 4.80%                     | 4.85%       |
| Discount rate in effect for determining net periodic pension cost (benefit) for the year ended May 31, 2023 | 3.98%                     | 4.05%       |
| Long-term expected rate of return on plan assets  | 7.00%                     | 7.00%       |
| Rate of future compensation increase  | *                         | **          |

\*Not applicable to the plan as benefits are defined under terms of the union contract and not salary related. \*\*Not applicable since the plan was frozen December 31, 2012.

The expected long term rates of return for the Plans are based on many factors that include, but are not limited to, historical returns on plan assets, current market information on long-term returns (e.g., long-term bond rates) and current and target asset allocations between asset categories.

### Pension Plan Assets

The pension plan assets are invested according to the following asset allocation:

|                                    | ASO Musici | ans' Plan | Arts Ce | nter |
|------------------------------------|------------|-----------|---------|------|

The Plans' assets are invested in a money market fund and several mutual funds representing different asset classes including public equity, government and corporate bonds, real estate, commodities and resource-related stocks. The principal investment objectives are to ensure the availability of funds to pay pension benefits as they become due under a broad range of future economic scenarios, to maximize long-term investment return with an acceptable level of risk based on pension obligations and to be broadly diversified across and within capital markets to insulate asset values against adverse experience in any one market.

#### **Defined Contribution Benefit Plan**

The Arts Center also sponsors a defined contribution pension plan that operates under Section 403(b) of the Internal Revenue Code.

The plan has two components. The first of these components is contributory in nature (i.e., requires the employee to make a contribution to the plan). Established in 1972, it was initially known as the Atlanta College of Art Defined Contribution Plan and participation was limited to certain employees of the Atlanta College of Art. Effective January 1, 2002, participation was extended to certain other eligible employees of the Arts Center. Currently eligible employees are all employees of the Arts Center, other than employees included in a unit covered by a collective bargaining agreement, who have completed one year of service, including an hours worked requirement, and attained 21 years of age. The Arts Center's policy in 2023 and 2022 was to match employee contributions to the Plan up to 6% and 4% of gross salary respectively.

Pension expense related to the Arts Center's defined contribution plan totaled \$646,999 and \$542,551 for years ended May 31, 2023 and 2022, respectively.

#### **Multiemployer Plan**

The Arts Center contributes to a multiemployer defined benefit pension plan, American Federation of Musicians' and Employers' Pension Plan (EIN 51-6120204, Plan 001), hereafter "AFofM Plan", under the terms of its collective bargaining agreement with union-represented musicians of its Atlanta Symphony Orchestra division. The musicians of the Atlanta Symphony Orchestra are covered under the terms of its collective bargaining agreement which will expire on September 6, 2025.

The AFofM Plan is overseen by a board of trustees, consisting of members appointed by the union and employers contributing to the plan. The plan's trustees' responsibilities include determining the level of benefits provided to participants, the investment of plan assets, and the administration of the plan. The benefits provided by the AFofM Plan to the participating employees are based on a scale of benefits defined by each \$100 contributions and the time period in which those contributions were made to the plan. The Arts Center's contract covering the union-represented employees will expire September 6, 2025. The agreement specifies that the contributions to the AFofM Plan should be determined on the basis of 7.49% the employees' minimum weekly salary as defined by the collective bargaining agreement.

As of March 31, 2023, the AFofM Plan was underfunded, which was determined in accordance with Employer Retirement Income Security Act of 1974 calculations, with the actuarial value of its assets and liabilities totaling \$1,733,484,653 and \$3,511,565,128, respectively. On April 30, 2010, the Arts Center received a notice from the trustees of AFofM Plan stating that the plan is considered to be in critical and declining status (as defined by the Pension Protection Act of 2006). The most recent notice stated that the AFofM Plan remains in critical status and declining for the plan year beginning April 1, 2023 and is projected to have an accumulated funding deficiency.

Federal law requires pension plans in critical status to adopt a rehabilitation plan aimed at restoring the financial health of the plan. The law permits pension plans to reduce, or even eliminate, adjustable benefits as part of the rehabilitation plan. On April 30, 2010 the Arts Center also received notices of adoption of a rehabilitation plan and benefit changes from the AFofM Plan trustees.

The rehabilitation plan calls for additional employer contributions, changes in benefits and application to IRS for an automatic 5-year extension of amortization of unfunded liability. Employers by law are required to pay a surcharge to the plan that is based on contributions. The surcharges does not result in additional benefit accruals to the plan. Effective June 1, 2010 the surcharge was 5% of contributions. Effective June 1, 2011 the surcharge increased to 10% of contributions. Employers may avoid the surcharges by agreeing to increase the amount of the employer contributions to the plan as set forth in the rehabilitation plan. The rehabilitation plan increased the contribution rate by 4% for contributions earned on or after June 1, 2010, but before April 1, 2011. The contribution rate increased to 9% of contributions earned on April 1, 2011. During 2018, the rehabilitation plan was further updated to require an additional 10% increase in the rate of contributions in collective bargaining agreements expiring after August 1, 2018. The Arts Center adopted the increased employer contributions, thereby avoiding surcharges that would otherwise be applicable.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects:

- a. Assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- b. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- c. If the Arts Center chooses to stop participating in its multiemployer plan, it may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

In 2023, the Arts Center's contribution to the AFofM Plan was less than 1% of total contributions to the Plan. Participants in the AFofM Plan are covered by the Pension Benefit Guaranty Corp Insurance which provides financial assistance to the plans which continue to pay retirees should the plan sponsors be unable to fund the plan. For the years ended May 31, 2023 and 2022, total contributions to AFofM Plan were \$623,063 and \$596,200, respectively. As of May 31, 2023, the Arts Center expects its contributions to AFofM Plan for the year ending May 31, 2023 to be approximately \$593,000.

## 15 Interest Rate Swap Agreement

The Arts Center utilizes interest rate swaps to manage interest rate market exposure of the underlying debt. Interest rate swaps generally involve the exchange of fixed and floating rate interest payment obligations without the exchange of underlying principal amounts. The Arts Center entered into a swap agreement with a financial institution effective October 25, 2002, which had a contractual notional amount of \$30,000,000 and terminated on February 1, 2023. In November 2022, the Arts Center entered into a new swap effective February 1, 2023, with a termination date of February 25, 2032. Under the terms of the swap agreement, the Arts Center will pay the financial institution a fixed rate of 3.18% on the contractual notional amount of \$49,580,000. The financial institution will pay the Arts Center a variable rate based on 79% of USD-SOFR-Compound. The notional amount is used to express the volume of this transaction; however, it does not represent cash flows.

# 16 Leasing Arrangements

## **Operating Leases**

The Arts Center has two noncancelable operating leases with third parties to lease facilities owned by the Arts Center. The remaining lease terms range from 10 to 13 years. Under the terms of the agreements, the Arts Center recognizes rent revenues straight line over the course of the leases. The difference is a deferred asset included in pledges and other receivables as described in Note 2.

The following is a schedule by years of expected minimum future rental payments to be received under operating leases as of May 31, 2023:

| For the year ending May 31: | Amount        |
|-----------------------------|---------------|
| 2024                        | \$ 3,775,791  |
| 2025                        | 3,782,235     |
| 2026                        | 3,789,586     |
| 2027                        | 3,796,763     |
| 2028                        | 3,803,734     |
| Thereafter                  | 24,174,999    |
| Total                       | \$ 43,123,108 |

### Sales Type Lease

During 2016, the Arts Center relinquished its interest in a Joint Venture and entered into a sales type lease arrangement with its former Joint Venture partner. The lease term is 20 years and the balance of minimum lease payments and unearned income (present-valued interest component) decrease by the interest method using an implicit borrowing rate. Management has evaluated the financial condition of the lessee and has determined the investment in sales type lease to be fully collectible. Accordingly, no allowance for doubtful accounts is recorded as of May 31, 2023 or 2022. The following is a schedule of the net investment in the sales type lease as of May 31:

|   | 2023            | 2022            |
|---|-----------------|-----------------|
| Total minimum lease payments to be received | \$<br>7,006,563 | \$<br>7,531,563 |
| Less: unearned income                       | 2,413,657       | 2,743,763       |
| Net Investment in sales type lease          | \$<br>4,592,906 | \$<br>4,787,800 |

The investment in the sales type lease is included in pledges and other receivables, net (see Note 2) in the Consolidated Statements of Financial Position.

The following is a schedule by years of expected minimum future rental payments to be received under the sales type lease as of May 31, 2023:

| For the year ending May 31: | Amo        | unt |

| year   | \$<br>56,420,978 | \$<br>72,451,755 |

The Arts Center structures its financial assets to be available as its general expenditures, liabilities and other obligations come due. The Arts Center has board designated quasi-endowment funds totalling \$40,584,171 that could be made available if the Arts Center had additional liquidity needs. There are certain lock-up provisions on investment withdrawals that could reduce this amount as described in Note 4. Additionally, \$13,774,504 of funds that are board designated for various programs could be used if the need arose. The Arts Center also has two lines of credit available in the amount totalling \$30,380,000 of which \$34,000,000 was available at May 31, 2023 and could be drawn upon if needed. (Note 7)

#### 18 Related Party

The Arts Center transacts business with several companies that have officers or directors on the Art Center's Governing Board. Fees paid to related parties totalled approximately \$7,517,000 and \$3,647,000 for the years ended May 31, 2023 and 2022, respectively, and relate primarily to financial services.

#### **19 Government Grants**

The Arts Center obtained employer retention tax credits (ERTC) under the provisions of the CARES Act. The ERTC is a refundable tax credit against certain employment taxes equal to 50% of qualified wages. During the year ended May 31, 2022, Arts Center requested refunds under the program in the amount of \$5,876,076 and recorded as government grants in the Consolidated Statement of Activities. At May 31, 2023 and 2022, the Arts Center had receivables relating to ERTC totalling \$6,783,487, in the pledges and other receivables in the Consolidated Statement of Activities. Subsequent to year end, the Arts Center received \$6,135,429 of its outstanding ERTC receivables.

On July 8, 2021, the Arts Center received a federal grant, Shuttered Venue Operators Grant (SVOG), from the Small Business Administration in the amount of \$1,504,518. The SVOG grant is conditioned upon certain performance requirements and / or the incurrence of allowable qualifying expenses of which \$1,504,518 was recognized during the year ended May 31, 2022 as government grants in the Consolidated Statement of Activities.

Independent Auditors' Report on Supplementary Information

#### To the Board of Trustees of Robert W. Woodruff Arts Center, Inc. and Subsidiaries:

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information as of and for the years ended May 31, 2023 and 2022, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America established by the American Institute of Certified Public Accountants. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.
